Lesson

19th June, 2020

Topic: Holiday plans – skills development.

1. Zapisz datę, temat i poniższe informacje dotyczące planów wakacyjnych Piotra:

My name's Piotr and these are my holiday plans for the next summer. As I am going to graduate from my vocational school soon, my holidays will not look the same as my last holidays. I would like to find my first full-time job on a building site. I have a lot of relevant experience since I used to work as a carpenter's helper in my uncle's building company. I also got quite a lot of professional skills at school, too so it would be ideal to earn money as a carpenter. I know how to build different roof structures, such as: hip roofs, gable roofs, mansard roofs, cut roofs or even roofs with dormers. I think I can do the job really well. If there is no work for me in Poland, I might find employment abroad (in England or Ireland). My good friend has been working in the UK for 4 years and he is really pleased. I could ask him to help me find a company that could hire me and accommodation, too. I would really like to develop my professional skills and I know I need some extra training courses. I hope I will open my own building firm one day, when I have enough knowledge, determination and practice.

2. Po zapoznaniu się z planami zawodowymi Piotra, napisz coś o swoich planach zawodowych na najbliższy okres (po ukończeniu szkoły). Wykorzystaj powyższy tekst jako model, pamiętając jednak, że trzeba zmienić dane dotyczące zawodu (III t – prace budowlane wykończeniowe, III h prace hydrauliczne, instalatorkie itp.).

PS Dzisiejsza lekcja jest kontynuacją tematyki związanej z poszukiwaniem pracy. Termin realizacji to 24.06.2020. W razie pytań, kontakt mailowy: r.krawczyk0@poczta.onet.pl.
