7> Complete the text with the missing words.

When I was going for my first job interview as a babysitter, I had no idea what to wear. I thought of wearing my comfortable <sup>1</sup>V-n\_\_ jumper and a pair of <sup>2</sup>s\_\_y trousers and my old trainers. Not very smart but I thought that since I usually dress like this it was fine. Just to be sure, I asked my friend, who already had a job and she told me it was all wrong. She lent me a white <sup>3</sup>c\_\_ <sup>4</sup>t\_\_-f\_\_ shirt and a designer <sup>5</sup>k\_\_-l\_\_ skirt. She also suggested I should wear <sup>6</sup>h\_\_-h\_\_ shoes. But when my mom saw me, she said it was all too much: my job didn't require formal clothes. She found my <sup>7</sup>st\_\_ shirt, denim skirt and <sup>8</sup>o\_\_-t\_\_ sandals and said that was absolutely enough. She was right, I got the job. :-)
