1. _____ Hi! I'm Erica. Next week I am going to return home for a family festival. It is a very important time of year in my country as we celebrate our ancestors and go back to our home town. I'm going to travel by car this year and we are going to drive over 1,000 km! We are going to stay at a really nice hotel on the way, though.

2. _____ My name is Niko. I went on holiday to San Francisco two weeks ago. It was a long flight, almost 12 hours but I slept for most of it. I went to see the Golden Gate bridge, went on one of the famous trams and went to see the seals at Pier 39. It was an amazing holiday and I would love to go back again.

3. _____ Hi! My name is James. I have an interesting journey to work. I live in France but I work in London. Every Monday I go by car in the Channel Tunnel and drive straight to the office. I stay in a hotel all week and go by train to work. I return home on Friday. My wife thinks I'm crazy. She goes to work on foot, it's only 5 minutes away!

B. Answer the following questions about Erica, Niko, and James.
