

Zapisz w zeszycie temat i datę.

Lesson

7th April 2020

Topic: Global warming – reading practice.

Dziś otrzymujecie **pracę na ocenę**.

Wykonajcie poniższe zadania zapisując odpowiedzi w zeszycie. W razie potrzeby sprawdzajcie znaczenia słów w słowniku internetowym.

Tłumaczenia poleceń do zadań:

Zad. 1 Przeczytaj tekst oraz wstaw odpowiednie słowa w języku angielskim. Podpowiedzią są obrazki.

Zad. 2 Wstaw wyrazy z ramki w odpowiednie miejsca 1-8, by utworzyć poprawne zwroty.

Zad. 3 Utwórz zdania z podanych wyrazów oraz słowa 'will' które

- w zdaniach twierdzących wstawiamy po osobie a przed czasownikiem np. I will open the window.
- w pytaniach na początku zdania np. Will you open the window?

Zrób zdjęcia gotowym odpowiedziom w zeszycie i prześlij na adres kabzinska1@wp.pl do czwartku 16.04.

Pozdrawiam
I.Kabzińska

Global warming

- 1 Look at the pictures and complete the text with the missing words.

MANY THINGS that people do nowadays release greenhouse gases into the atmosphere, and these gases trap energy. The result is global warming and an increase in the Earth's temperature.

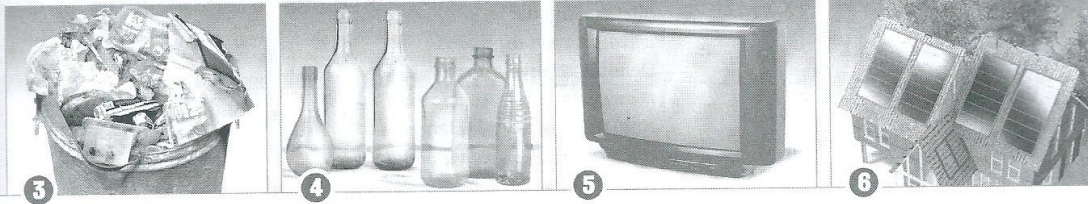

It is the biggest ecological problem facing the world at the moment. But there are some small things we can all do that will make a big difference.

We still use ¹ *cars* as our main form of transport. We can reduce the amount of gases that we put into the air by walking or by using ² _____.

We can also recycle our ³ _____. Recycled paper saves trees and they absorb carbon dioxide. Recycling other rubbish such as plastic, metal and ⁴ _____ also helps save natural resources.

Every time we use electricity we are contributing to global warming. It really helps to switch off the lights, the ⁵ _____, the computer and other electrical items when we have finished using them. Alternative energy such as ⁶ _____ and wind generators will also help reduce the effect of global warming.

So, think about what you can do and how you can make a difference.

Ecology and the environment

- 2 Complete the expressions with words from the box.

hole	genetically	polar	global
toxic	aluminium	air	recycled
